Please Pray:

- That the students in these 120 Bible studies would be convicted of their sin, repent, and put their trust in Jesus.
- That our student Bible Study Leaders will have opportunities to share the Gospel with their fellow students.
- That the new students in our church, like **Zuleyka, Lola, Marie,** and **Destiny,** would quickly enter into fellowship with other believers.
- For the Lord to lead us in new and creative ways to meet students.
- For **Renae** who just gave her life to Jesus!
- For **Chloe, Alex,** and **Bella** to come into a personal relationship with Christ.

“You will bring them and plant them in the mountain of Your inheritance, the place, O Lord, which You have made for Your dwelling. The sanctuary, O Lord, which Your hands have established.” -Exo 15:17

I did not grow up going to church on a consistent basis. However, I always knew about God and was familiar with commonly known scriptures. Once I got accepted to USF, I knew that I wanted to have a better relationship with God because I was concerned about the campus lifestyle influencing me negatively. I never got around to it though and was still living unsaved and separate from God.

Months passed and it was finally time to move in. I met a campus minister from Cornerstone on move-in day when she assisted in helping me find my dorm. Later that same week, I saw her again and filled out a survey. I mindlessly put my contact information down, thinking that I would never see or hear from her again (funny, isn't it?). To my surprise, she reached out and I started going to Bible study.

After learning what the Bible said about what it actually means to be saved and how to be saved, I surrendered my life to Jesus in September. I got baptized shortly after. During this time I also experienced the loss of my grandmother. I was so discouraged that I was silently looking for a different school to attend because I did not have the courage to continue my time here. I was strengthened not only by God's word but also by the church that He placed me in. I truly owe my first semester to Jesus because it was only through Him that I was able to continue and still do well. I strongly believe that I was placed here for a reason, and it was always His intention for me to find such an awesome community in Cornerstone.” -Tyler

This spring is off to great start. We have already seen several students turn to Christ. Currently we have 120 individual Bible studies set on the campus. We look forward to sharing more great testimonies from the students that we reach this new year.

Thank you for your faithful partnership!
