January 2021

***We are so thankful for your partnership with us to bring the Gospel to this generation. 2020 was a unique year but God is still moving in the hearts of students and I am excited to share with you Tiffany's testimony of how the Lord saved and transformed her this year!***

**Please Pray:**

**- For the Lord to prepare the hearts of the students at USF and they would accept the Gospel quickly at the hearing of the Word of God.**

**- That our student Bible Study Leaders will be bold in sharing the Gospel with their fellow students this year.**

**- That the new students in our church would quickly enter into fellowship with other believers in the church.**

**- For the Lord to lead us in new and creative ways to meet the students that He wants us to meet.**

*Your faithfulness continues throughout all generations;*

I grew up not knowing much about God and the Gospel. I spent my childhood and teenage years lonely, depressed, and anxious. I hated myself and I was truly lost. I constantly felt empty and miserable despite living a decent life. I did ungodly things to try to fill that void. Through all my sin I became so broken and I wanted to be a better person. At the time I thought I could do it myself.

Then came 2020. I started my first semester at USF as a transfer student and met a campus minister from Cornerstone through a survey. This changed everything as I began going to church and doing Bible studies despite my skepticism. Shortly after, I became confident that God is real but I was still lost on what to do. Lockdowns happened so I had to move back home and that's where I encountered God. In a moment of sorrow, I cried out to Him and prayed that I needed Him. It was the first time I encountered His holy presence and His gentleness.

That day I humbled myself before the Lord and realized I needed Him through it all. I surrendered my life to Jesus a few days later in April and since then I've been seeking God. I became born again through Jesus as He saved me. His love healed all the pain and all the lies I ever believed about Him, life, and myself. He has shown me what love is and that I am lovable.

Despite the obstacles of 2020, I have come to know the Father through Jesus and my love for Him grows every day. I am so thankful that I was able continue to do Bible studies online and watch the virtual church services. God has shown me how He uses bad and uncomfortable situations for His glory. I'm grateful God chose me, that He never gave up on me, and that I have a best friend in Him. I'm joyful that He adopted me as a daughter into His kingdom and I'm excited to continue to do His will.
