JULY 2022

*"Therefore if the Son makes you free, you shall be free indeed." John 8:36*

Happy Independence Day! We are so excited to see God setting students free from sin. Through your partnership, we have the opportunity to reach those that God is drawing to Himself. This month, we would like to share Adam's testimony with you.

### Please Pray For:

- Current students to continue to draw near to the Lord and grow in their faith and walk with God.
- The incoming freshmen and transfer students who are staying on campus for the summer to be open to the Gospel. Pray God leads us to the right people at the right time and that they would encounter Jesus.
- Zoë to be born again!
- Hannah and Devyn to come back to Jesus with their whole hearts.

I am a Mechanical Engineering student at the University of South Florida. I came here as a freshman in the fall of 2019 and was avidly searching for a church. I had grown up in a church, and shortly before my arrival at USF, I began to draw nearer to God with a want to pursue Him. One day on campus, I was locking my bike up when I heard a guy whistling. It turns out that he was trying to get his buddy's attention but I, unaware of this and curious, whistled back. That was the day I met John, a minister from Cornerstone.

Through the coming months, we did many Bible studies, and I got to ask a lot of questions. The gospel was sown into my heart in a way that I never experienced before, and I knew that my life was changing. During these few years in the church, I have grown exponentially in my walk with God, at a far greater pace than ever in my life. I became a member, was baptized, and became an usher in the church services. I was growing in my faith, especially in the area of fellowship.

At first, I was fairly shy to meet new people, but as time went on, my excitement to spend time with fellow believers grew significantly. I started saying "Yes," to events, dinners, and hang-out times. I learned a LOT of new names and solidified my vision for my future in this church. I also became a Bible study leader and have had the awesome opportunity to preach the Gospel to fellow students. This time of fellowship, in the church has brought many good memories, and it seems like it is just the beginning. The memories that God has for me in the future are waiting for me, and it brings me so much joy to be around my family in this church.
